

**SHIJIAZHUANG TOPSTAR INTERNATIONAL TRADING CO.,LTD**

Address: B1302 Zhongliang plaza No.345 Youyi north street Shijiazhuang, Hebei, China.

***STRONG LAUNCH***  
***EASY TO GET STARTED***

***3000W***

***LASER WELDING MACHINE***

It is portable and can be carried by one person, via motorcycle, car, or truck. It is suitable for construction sites, outdoor work, rooftops, and other flexible work environments.

## ODM TAILOR-MADE

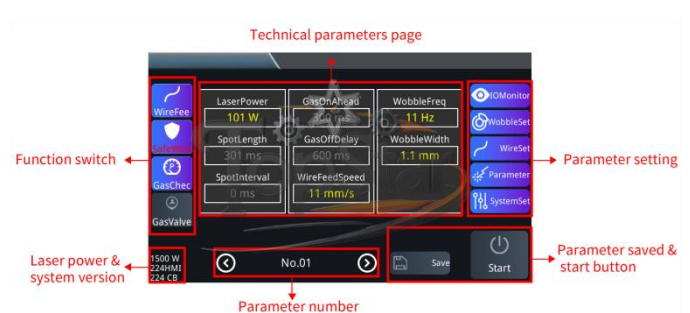

Tailor-made in accordance with customer welding needs, high-quality laser beam, high energy density, precise laser control system, great penetration, small heat-affected zone, not easy to cause deformation, beautiful and consistent weld seam, significantly increase welding speed, reduce labor cost of grinding and polishing, improve production efficiency.

POWER	STAINLESS STEEL	CARBON STEEL	GALVANIZED SHEET	ALUMINIUM
3000W	7mm	7mm	7mm	7mm

## HANDHELD WELDING

### LINKAGE CONTROL SYSTEM

The new generation of handheld laser welding adopts a 7-inch industrial-grade LED touch screen, with an intelligent operating system, it supports simple operation mode. With simple and fast operation, it is easy to learn. It only takes 30 minutes of training to master the welding operation.

## **WIRE FEEDER FOR LASER WELDING ONLY**

Precise wire drawing without sticking,dust-proof sealed design,stepper motor+ planetary reducer which is different from DC motors of the other suppliers,high-speed controls four-wheel drive wire feeding assembly.

## **THE FIFTH GENERATION HANDHELD WELDING GUN**

( The 3000W machine comes standard with a 4000W gun head, which is resistant to high temperatures and not easy to break. )

## SPECIFICATION

Model	LN-HW3000
Power	3000W
Fiber Length	10m Standard
Cooling Method	Water-cooling
Working Mode	Continuous/Pulse
Workpiece Thickness	0.5-7mm
Welding Gap	≤1.2mm
Input Voltage	AC380V50Hz or 60Hz
Temperature	0-40°C

## ACCESSORIES LIST

# Accessories List

No.	List
1	Welding Nozzles*8
2	Wire Feeding Nozzle*6
3	Aluminum Wire Feed Wheels*4
4	SS Wire Feed Wheels*2
5	Wire Feeding Tube*1
6	Protective Lens*8
7	Laser Protective Glasses*1
8	Gun Protective Film*1
9	Hexagonal Wrenches*1 set
10	Pressure Reducing Valve*1
11	Dual-purpose Screwdriver*1
12	Pressure Reducing Valve Adapter Pipe (10 to 8)
13	8mm Gas Pipe*1
14	Water Pipe*1
15	Support Pole*1
16	Welding Gun Holder*1
17	Feeding Wire*1 roll
18	Tool Box*1

Welding Nozzles

Wire Feeding Nozzle

Aluminum Wire Feed Wheels

SS Wire Feed Wheels

Wire Feeding Tube

Protective Lens

Laser Protective Glasses

Gun Protective Film

Hexagonal Wrenches

Pressure Reducing Valve

Dual-purpose Screwdriver

Pressure Reducing Valve Adapter Pipe (10 to 8)

8mm Gas Pipe

Water Pipe

Support Pole (Excluding the Mini Series)

Welding Gun Holder

Feeding Wire

Tool Box
